Dear Tim and Derek,

It has been a pleasure working with you from the initial meeting to installation to post-installation inspections. We are very pleased with the quality of the turf that was installed. The knowledge and education that you have provided us at the beginning to choose the right turf for our students was very thorough. As promised, the delivery was on time and the installation went very smoothly.

The students have been using the turf to play sports on a daily basis and it looks like it has just been installed! Whenever parents or other institutions ask where we got the turf from, we have no hesitation telling them about you.

Sincerely,

Wynn Looi
Operations Manager
